Notes:-

- Ladies need to be aware that the programme is subject to change due to weather etc. Please keep an eye out for e mails and be prepared to be flexible on the day.
- There are contingency plans for poor weather days so please don't be put off coming to the club regardless of the weather.
- Please note the start and finish times vary week by week depending on the activity planned.
- Green/bold highlighted dates = days where safety boats required.
- Days Up-River are a new venture for Ladies Afloat and the number of events will depend on their success/popularity.
- At the first Up-River event on the 22nd April we will be joined by Bones, from RDYC. He will be providing advice on towing, practicalities of landing at Dittisham and help with handling the new club dinghies - the RS Visions. Those who want to sail on that day will need to ensure they are suitable dressed for the early season (wet suits or dry-suits essential).
- To make the most of our Up-River Days, Jinx will be organising a 'Bosuns' rota to help get the dinghies prepared and ensure there are enough people to return and pack them away safely.
- A sub group are preparing plans for celebrating our 10th anniversary. More news of this soon. If anyone-else would like to join the group - please contact Jayne.
- 'Self help' meals = bring your own lunch/sandwiches.
- 'Communal' means bring plate of food for shared picnic or cakes for shared tea.

**Any queries - please contact:- Alison Banford, Ladies Afloat Co-ordinator
