Sailing Instruction 12: Time Limit

The following paragraph is appended to SI 12 (P.29) to clarify the use of lap times in the event of no finishers within the time limit.

If no boat finishes within the time limit, or the Race Officer decides that it is unlikely that any boat will finish within the time limit, the race may be retrospectively shortened by an announcement on VHF and times for completion of the previous lap may be used to determine results.
