General

Well looked after, and well equipped unsinkable pocket cruiser, built 2000. Bought by current owner in 2003. Reluctant sale to make way for new boat.

Hull configuration

Tandem Keel and twin airfoil section rudders for shallow draft (0.85m) with good upwind performance. Hull epoxied and copper coated 2016.

Rig

Mainsail, partially battened – Hyde Sails, 2012.
Single line reefing from cockpit, Pack-a-main system (renewed 2013).
Roller reefing Jib – Hyde Sails, 2012.
Furling Asymmetric – Elvstrom, 2005.
Furling Light Weather Genoa – Elvstrom, 2000 (hardly used).
Telescopic whisker pole, track mounted on mast – Selden.
Removable mainsheet track.
Standing rigging replaced 2015.

Engine

Yanmar 1GM10 inboard – regularly maintained & serviced.
Water pump seals replaced and stainless steel exhaust elbow fitted (2017).
3-blade feathering & variable pitch propeller – J-Prop.
25 litre diesel tank – gives around 24 hours at 5 knots.

Electrical

Engine and service batteries, with manual switchover. Engine battery 2016, Service battery 2017.
High output alternator with Adverc battery management system.
Battery monitor (for both batteries) in cabin.
Digital tachometer and engine hour meter.
Mains shore power installation with smart battery charger (Victron) fitted 2017.
LED navigation lights.
Mikuni diesel powered warm air heating system fitted (original). Not used for years, and would need service/repair.

Electronics

Raymarine ST2000 Autohelm (Replaced 2015).
Raymarine ST60 Wind.
Raymarine ST60 Tridata (Speed, Depth, Temperature).
Airmar CS4500 Ultrasonic Speed Transducer – accurate to 0.1kn, no paddle wheel to foul up.
Standard Horizon CP180 GPS Plotter.
Standard Horizon VHF DSC Radio, with Remote “Command Mike” in the cockpit. Masthead antenna with low loss cable.
Fusion FM Radio/Stereo with Bluetooth. Rail mounted Shakespeare antenna.
Sevenstar Seatracer 2 Class B AIS Transponder, with separate masthead antenna.

General Equipment

Jabsco Sea Toilet, with 44 litre holding tank (pump out or gravity release).
50 litre fresh water tank with manual pump to sink.
Single burner auto lighting stove using aerosol cartridges. (Original 2-burner alcohol stove also available).
Wetlocker door converts to table for cabin or cockpit.
Fortress lightweight anchor with 10m chain and 30m anchorplait.
Beaching legs to allow level drying out. Pack away in cabin stowage.
Barometer mounted on cabin bulkhead.
Portable steering/hand bearing compass (Plastimo). Mounts to cockpit bulkhead.
Sprayhood – replaced 2014 (Dart Sails & Covers).

Safety

Vessel is unsinkable (Standard for all Etaps).
Fire blanket and Fire Extinguisher mounted on cabin bulkhead.
406MHz GPS EPIRB (GME MT403G) on bulkhead mount.
Man overboard rescue line on pushpit.

Road Trailer

Mersea Trailers, twin axle. Never immersed (vessel always craned in/out).
New brake shoes & brake cables 2017. Spare wheel with new tyre.
